GEORGE ZELTZER is now agent of the Star for Mount Auburn and Avondale. Any order left for him at the Engine-house, at the Toll-gate, or the Police-station will receive prompt attention.

For the next 24 hours probably fair or partly cloudy, with rising temperature.

LOCAL BREVITIES.

The Centennial Club will give its first grand social at Workmen's Hall next Monday.

CHAS. DUNINGHOUSE, of Hopkinsville, Kentucky, who engaged boarding with John Miller at 14 East Sixth street, on Monday last, disappeared and has not been heard from since. His friends suppose that he has been foully dealt with.

E. T. SCOTT, who was arrested while drunk for passing a counterfeit fifty-cent piece on a saloon-keeper, was remanded before Commissioner Hooper, yesterday, and gave bail in the sum of \$500, General Geo. F. D'Usey going on his bond.

A NUMBER of prominent citizens of Campbell county yesterday sent a petition to the President and Directors of the Great Eastern Company, asking that the proposed vote for subscribing \$500,000 to the capital stock of the company be postponed from the 7th of December to some future date.

MRS. CATHERINE WUEST, a German woman living on Vine street, near Fifth street, was bitten by a rabid cat last June. About six weeks ago she showed symptoms of hydrophobia. The mad ravings of the poor woman required her to be tied down in bed. After terrible suffering she died last Monday.

At the annual meeting of M. C. Harmony Lodge No. 2, the "Old Lodge" last night, the following officers were elected: W. M., John H. Vornholz; S. W., Alfred Wolf; J. W., Benjamin D. Wheeler; Treasurer, Henry Sepp; Secretary, Charles R. Folger; S. D., F. S. Perry; J. D., David Williams; Tyler, Joseph B. Covert; Property Committee, John Evans; Stewards, John Waggoner and T. L. Harper.

One beautiful little suburb of Wyoming has recently been the scene of numerous burglaries. Jud. Harmon, Esq., the Mayor, lost \$300 worth of silver ware. Ex-Mayor, Col. Teeter, was relieved of a hundred dollars worth of goods. Reuben Tyler bewails the loss of a valuable watch and chain. The house of Hon. E. F. Ransom was tied, too, but the effort was a failure. The good citizens are aching. Look out.

REAR GOU, accused of stealing a coat valued at \$25 from S. M. Quinn, with whom he boards, on the corner of Fourth and Sycamore, was found guilty, and sentenced to thirty days in the Work-house and fined \$50. His counsel asked for a suspension of judgment and a transcript of the proceedings, which was granted, and the trial fixed for the 11th inst., and his bail fixed at \$500.

A. Conly, Mr. Edward Seguin, Mr. Cayle, William Morgan, Mr. Marston, James G. Pease, and H. T. Allen. Among the specialties which will be produced is Meyerbeer's master piece "Star of the North," Beethoven's "Fidelio," and Sir Jules Benedict's "Lilly of Killarney," founded on Boucicault's play of "Colleen Bawn."

The Music Hall. A meeting of the subscribers to the Music Hall Fund was held last evening at College Hall. Mr. George W. Jones called the meeting to order and stated the object of the meeting to be the discussion of a plan of organization for the building of the contemplated Music Hall.

On motion of Mr. Shillito, Mr. Rufus King was elected Chairman, and Mr. H. Wilson Brown, Secretary.

Mr. Springer, who was present, was greeted with loud applause, and offered a resolution "that a committee of five men, to be appointed by the Chair, be called by them, a plan for incorporating and organizing a society for the

erection and management of the Cincinnati Music Hall."

The resolution was adopted, and a strong effort made to induce Mr. Springer to serve on the committee. Mr. Springer declined for reasons of a personal nature, and the Chair appointed as his associates on the committee Messrs. F. D. Shillito, John Shillito, Joseph Longworth and Julius Dexter. The meeting then adjourned, subject to the call of the committee.

The Choral Society Concert.

A most delightful concert was given last evening at Melodeon Hall by the Welsh Choral Society, for the benefit of the Welsh Presbyterian Church, on College street. The audience was large and very appreciative, and encouraged the singers by frequent and timely applause. The solos of the Misses Evans, Miss Augusta Lewis, Miss Sallie Edwards, Miss Jones and Miss Griffith were especially well received by the audience.

The entertainment was in every way a success, which is due in a great measure to the able management of Mr. Ebenezer Bowen, the conductor of the exercises.

The United Bethel.

From Mr. Thos. Lee's monthly report to the Directors of the Cincinnati Union Bethel for last month, we gather the following interesting statistics:

Our attendance has been as follows: October 31, 2,084; November 7, 2,148; November 14, 2,314; November 21, 2,687; November 28, 1,203. Our great want in this department is an increase in our corps of teachers. We need more men and women of God to teach and lead the scholars to Christ.

In our benevolent department we have given to needy persons as follows: 841 pairs shoes, 1,000 yards calico, 1,454 yards muslin, 694 yards jeans, 52 shawls, 63 dresses, 143 undergarments, 52 shirts, 16 aprons, 96 hats, 101 boys' caps, 41 pair shoes, 28 pair pants, 8 coats, 518 lodgings, 452 meals and 69 loaves bread.

Miss Julia Gould.

This talented lady, who has returned to this city from Milan and London, where her appearance on the concert stage elicited such high encomiums from the leading artists of those cities, is in receipt of a letter signed by twenty or more of our most prominent citizens, earnestly requesting her to name a day when she will appear in concert in this city. To which she replies as follows: Messrs. A. S. Berry, G. W. C. Johnston, Jas. Edwin Spear, and others:

GENTLEMEN—In returning you my sincere thanks for the kind compliment conferred upon me through your note of the 26th, permit me to name Thursday evening, the 18th of December, as the time for the concert, which will be given at Pike's Opera-house.

Very respectfully, JULIA GOULD.

How they Work in the Extras.

The following curiosity explains itself. It is a true copy of the original document:

Unnecessary expense on the Sedamville Bridge, incident to the raising of the Masonry for said Bridge:
Monday, July 19—Waiting half day, four m. b. b. \$3.00
Tuesday, July 20—Detained half day, three men \$4.00
Wednesday, July 21—Detained half day, eight men \$6.00
Lining out masonry and engineering the same \$5.00
Total \$23.00
By so many different parties working on the masonry and approaches, which monopolized all the territory and disorganized the men employed on the construction of the Bridge to the extent of not less than..... \$5.00
Total..... \$28.00

Retrenchment.

The Sub-Committee on Retrenchment Acts met last night in the Council Chamber, Mr. Hogan in the chair. Present, Messrs. Fitzgerald, Reis, Hunt and Hogan. Absent, Dirr and Eggleston.

Mr. Reis, to whom was referred the consideration of Light, made his report, which, after discussion and amendment, was adopted. He said: We find that the city has at this time

street lamps..... 5,776
Hack lamps..... 18
Park lamps..... 154
On Frisco Place..... 10
Total gas-lamps..... 5,961
Gasoline lamps..... 710

Total lamps..... 6,671
The expenditures out of the Light Fund for all the gas, repairs, and erecting new lamps for 1874, \$181,176 48; and for gasoline lamps about \$20,000, making a total of \$201,176 48.

During the present year about \$50 gas at 200 gasoline lamps have been added, which will increase the expense next year!

For gas-lamps..... \$10,412 00
For gasoline..... 5,000 00
Add the above sum..... 15,412 00
Making a grand total..... \$15,412 00

To retain all the lights would require a levy of 1.20 mills.

The contemplated levy of 0.75 mill will yield a revenue of about \$125,000, or leave a deficiency of \$82,888 48, requiring the extinguishment of all the gasoline lamps, and 2,000 gas lamps.

It is recommended, therefore, that all the lamps on undedicated streets be extinguished; also, the extinguishment of every alternate lamp on every street in the city except seventeen of the principal business streets.

On the subject of parks, Mr. Reis, to whom the subject had been referred, reported adversely to making any levy at all for park purposes. He wanted to save the city \$18,000 in this way.

It was recommended that a resolution should be passed requesting the Legislature to pass "an act enabling the city to take proper care of the money in the Sinking Fund"—as the city was losing \$10,000 per annum in interest—having \$400,000 in the Sinking Fund, on which they receive but 4 per cent., while it was paying 7 per cent. on its bonds. Adopted.

In regard to the Cincinnati Hospital, the report agreed upon by the Finance Committee was adopted.

Mr. Fitzgerald, to whom was referred the matter of retrenching the police force, reported in favor of reducing salaries as follows:

Superintendent of Police from \$2,500 to \$2,000
Six Captains from 1,250 to 1,000
Ten Lieutenants from 1,000 to 900
Three hundred patrolmen from 900 to 800
Superintendent's Secretary from 1,300 to 1,000

This will leave the number of patrolmen the same as at present, but dispenses with the services of four Captains and ten Lieutenants. The saving to the city will amount to \$47,700 per annum.

THE MUNICIPAL COURT.

Salaries in the Police Court, with the exception of the janitor's, are reduced as follows:

Judge from \$4,000 to \$2,500
Prosecuting Attorney from \$2,500 to \$2,000
Clerk from \$1,000 to \$800
Two deputies..... 1,000 to 800

This will effect a saving of \$1,500 per year.

TREASURER'S OFFICE.

The salaries in the Treasurer's office are not affected, the Treasurer receiving \$2,000, and his assistant \$1,800. But the office of paymaster, with a salary of \$1,600, is abolished.

CITY CLERK'S OFFICE.

The salary of the City Clerk is to be reduced from \$3,000 to \$2,500, which is the only change in the City's financial year. The Assistant Clerk receives \$1,500, the Sergeant-at-Arms \$1,000, and Messenger \$900.

CITY AUDITOR'S OFFICE.

The City Auditor is to have his annual stipend reduced from \$3,000 to \$2,500; the Assistant Auditor from \$2,000 to \$1,800. The salary of the Clerk remains the same—\$900.

MAYOR'S OFFICE.

The Mayor's salary is to be reduced from \$4,000 to \$3,000, and that of his Secretary from \$1,200 to \$1,000.

CITY SOLICITOR'S OFFICE.

No reduction of salaries is to be made in the Solicitor's office.

ENGINEER'S OFFICE.

The only change to be made in salaries in the Engineer's office is in that of six rodmen, who now receive \$600 each. They are to be reduced to \$500.

All the recommendations above reported were adopted.

OUR DAILY FOOD.

Adulteration prevails most extensively where it could and should be dispensed with, and where it is most oppressive and difficult for its victims to endure, that is, in our daily food. Food is a most important necessity, and it should be wholesome and nutritious, as nature formed it, without any detrimental additions. If all articles that are used in our daily food are as pure and healthy as Dr. Price's Cream Baking Powder, and his True Flavoring Extracts, we should escape many of the ills of life. The manufacturers of these preparations believe in giving the public reliable articles.

THE APPROACHING HOLIDAYS.

A very unpleasant feature incident to "Holiday Shopping," when postponed to within a few days of Christmas, is that the throng and confusion becomes so great at the most attractive stores as to make it impossible for purchasers to receive proper attention.

In view of this, and in order to, at least in a degree, obviate the difficulty, DUHME & CO. have placed their sale-rooms in complete Holiday condition, thirty days earlier than the preceding years.

Manufacturers of Solid Silver and of fine Silver-plated Ware, have produced for the business of the current season, a line of useful and "pretty things," so exceptionally attractive as at a glance to suggest the thought, that the progress of the useful and decorative arts had about reached its limit, and when prices are noticed, the conviction will come, THAT THE BOTTOM IS REACHED.

Besides the great variety from their own workshops, DUHME & CO.'S stock comprises the choicest productions of all the prominent goldsmiths, silversmiths, and platers in the United States.

The skill and taste displayed by the manufacturers of jewelry in this country is surprising.

The styles of jewelry for the present season are singularly elegant and tasteful, and are by no means expensive.

As to Table Plate, both solid and silver-plated, there is no question but that our manufacturers excel those of any other country. In fact, this class of goods form a new article of export.

DUHME & CO. have also just received their latest importation of Paris and Vienna goods, clocks, bronze statuettes, jewel caskets, &c.

DUHME & CO.'S establishment, Fourth and Walnut, is really now a bazaar of beautiful things.

In making purchases early, you have an unbroken line to choose from, can make selections in a leisurely manner, avoid the throng and confusion, and, in fact, secure all the advantages of the situation, and at the same time put your mind in a condition for properly contemplating the festivities of the approaching Holiday season.
